All Scouts and Parents

As you know, The Troop elected to go to Camp Alexander, Colorado for Summer Camp 2013. This is an exciting opportunity for all Scouts and adults to see beautiful mountains and scenery that you may have never seen before. Camp Alexander offers many exciting activities like horseback riding, biking, white water rafting and a wide range of merit badge opportunities.

The Troop has secured reservations for Summer Camp from July 21-27, 2013. The Troop Committee realizes that the camp costs for some Scouts and parents might be a stretch on family budgets, so the Troop Committee has decided to cap the costs for Summer Camp at \$325 for attending Scouts and adults. That cost covers the full stay at Summer Camp including meals, tents and cots. The Troop will pay for transportation costs, so the only additional costs above the \$325 for attendees would be fees for merit badge materials (if required) and meals to and from Camp Alexander.

A High Adventure week is also available during the same week as Summer Camp. The High Adventure costs \$455 and includes backpacking, white water rafting, horseback riding, climbing and night rappelling. A minimum of eight Scouts and adults is required to make up a crew for the High Adventure experience.

We plan to conduct additional fundraisers over the next few months to help the Scouts earn as much of the cost for camp as possible. In addition, we have put together a payment plan that meets the schedule for payment to Camp Alexander and provides Scouts and parents the opportunity to spread the costs over time rather than paying all at once. The payment schedule will be

Summer Camp		High Adventure	
December 3	\$50 Consent Form Due	December 3	\$50 Consent Form Due
January 7	\$50	January 7	\$75
February 4	\$75	February 4	\$125
March 4	\$50	March 4	\$75
April 1	\$50	April 1	\$75
April 22	\$50	April 22	\$55

Total \$325 per person for Summer Camp or \$455 per person for High Adventure.

This is a once in a lifetime opportunity for your Scout to see and do things that many people never have the opportunity to experience. Any questions can be directed to Mr. Atwood, Mr. Lutz or Mr. Faulkner. We look forward to an exciting trip to Camp Alexander in mid-July with temperature ranges from the mid 40's at night and mid 70's during the day!

Yours in Scouting,
Troop 574 Committee
