

2018 Youth In Media Consent Form

Boy Scout Troop 574

Troop 574 can publish information through various media forms – print (Troop newsletter), electronic (Troop website) and/or video production. The purpose of these publications is to provide the community, parents and the general public with an opportunity to learn more about The Boy Scouts of America, Troop 574 and to showcase its programs and activities for non--profit use.

Troop 574 recognizes that when publishing pictures of minors particular attention and responsibility must be given in order to protect them. Therefore, we have established some guidelines for publishing pictures and information about your son. Please review the guidelines carefully. Your permission is necessary before your son's picture and/or information can be published or displayed.

1. Your son's name will not be published on the Troop website
 2. Individual or group pictures of your son (such as participating in activities) will be displayed only with your permission.
 3. Your son's name will be displayed (without photographs) for advancement and leadership identification purposes within the church facilities only with your permission.

This form enables you to indicate whether you give the Troop permission to use your son's name and photograph.
